

PROPERTY & COMPLEX MANAGEMENT COMPANY

September 11 - 2021

Rental car offer

The car rental & airport transfer company that we use is "**Maxi Tours Of Didim**", they have just taken on 6 brand new cars and the existing 5 cars which are under 1 year old. I had a meeting with the General Manager of Maxi Tours yesterday (Friday 10 Sep), he told me about the additional new cars which they took delivery yesterday afternoon plus, he also told me the car hire rates which all "all inclusive" of car insurances and unlimited mileage but the rates are now slightly cheaper: Also, he confirmed that they have a **ZERO** smoking policy with their rental cars and they make that clear to all the rental customers.

From Sep 2021 until 30 Apr 2022:

From 1 week to 4 weeks: The rates are **1,540 TL per week** (about £129 a week)

If anyone is hiring the car for more than 4 weeks, then they can write to us and we can speak with Maxi Tours to see if they can offer a little cheaper rate.

The only condition if the clients are picking the car hire from Izmir or Bodrum airport early hours of the mornings then their driver needs to come with them and be dropped off in Altinkum on the way to Akbuk.

That is the only condition that Maxi Tours are insisting that their driver comes back with them and be dropped off in Altinkum as there is no other way for the driver to get back from Izmir airport at those early hours of the morning.

If you think this news will be useful to those GPV owners who are planning to come over to Akbuk soon but have not as yet booked their car hire or private airport transfers, then please feel free to place this information on your website or for Nina to inform any owner that may contact yourselves for information.
